## PERSPECTIVE PARTNER

# STEMing the Tide!

The Annual Stakeholder Breakfast is our premiere fundraising event of the year. All funds from this event are dedicated to support essential components of our operations and programs. We invite your organization to consider contributing at one of the sponsor levels.

We hope that you join in the excitement as we prepare to host our 13th Annual State of STEM Stakeholder Breakfast on Friday, June 6th, at the Junior League of Houston. This year's event is slated to be a memorable one as we celebrate some of our community stakeholders and school partners.
